There are seven ATOS members and eight non-ATOS members. Our goal is to reach ten ATOS members as quickly as possible. ODTOS can then elect officers, affiliate with ATOS, and receive our Chapter Charter during the ATOS National Convention to be held in early July. To affiliate with the national organization, officers must be ATOS members.

Affiliation with ATOS brings many benefits including being part of a nationally recognized organization. Visit [this web page](#) for more information.

Know someone who loves theatre organs but has not yet joined? Please forward our newsletter to them so that they can check out our [web site](#) and [Join Us](#) today! Our geographic area is the State of Virginia but all are welcomed.
