ODTOS Receives Chapter Charter

During the American Theatre Organ Society (ATOS) National Convention, held July 4-8 in Indianapolis, our Chapter Charter request was approved.

The Charter was presented during the convention banquet on July 8 by ATOS Chairman of the Board Bob Dilworth and Board member Don Phipps. Charles Hague, ODTOS president, accepted on behalf of our members.

ODTOS presented Don with a framed picture of Harold Warner to express our appreciation for his help and guidance in gaining ATOS recognition in record time.

Visit our [web site](#) for video and more.
