## ODTOS 2017 Events

Your Board has held three meetings planning events and setting direction for the next two years.

Events through September are listed on either side of this newsletter. Here's more information on the exciting plans your Board has made to make 2017 a year to be remembered.

### Saturday, May 20 - Home of Al Loth

Al has a number of interesting instruments including a Roland 900C console and Hauptwerk Paramount 332. We'll have a short meeting, hear and play Al's great instruments, then enjoy social time.

### Sunday, June 4 - Home of Al Murrell

Al's home on beautiful Lake Gaston makes for the perfect setting to get away from it all. Outdoor activities, a cookout, and of course great theatre organ music will provide a relaxing time and a fine kickoff for summer.

Carpooling will be arranged.

### Saturday, June 24 - The Hardman Studio

It's always a delight to hear this great 4/38 instrument. It's certainly the largest and to many, the finest Wurlitzer in the State of Virginia. The incredible Richard Hills will provide a concert that none of us will soon forget!

Carpooling will be arranged.

## ODTOS 2017 Events (cont)

### Sunday June 25 - 28 - ODTOS Booth at AGO Regional Convention

One of our ongoing goals is to increase membership and awareness of ODTOS and theatre organ in general.

The American Guild of Organists (AGO) will be holding their regional convention in Richmond June 25 - 28. Your Board has voted to participate through an ODTOS booth in the exhibits area. What a great way to reach out to our fellow organists!

Vice-President Al Murrell has volunteered to lead a committee to design and run the booth. Contact Al at [Vice-President@odtos.org](mailto:Vice-President@odtos.org) to be a part of this exciting outreach program.

### ATOS Convention - July 3 - 8, Tampa, FL

Make your plans to attend the annual ATOS convention in sunny Florida. Great artists and venues!

### Sunday, September 10 - Stonewall Jackson Hotel and more

See and hear the unique Wurlitzer 108 2/3 beautifully restored by Bob Lent. Enjoy lunch at a nearby restaurant, then head to Bob's to hear and play his beautiful Hauptwerk Paramount installation. You've never heard a Hauptwerk installation like this; you'll definitely be looking for the pipes!

Carpooling will be arranged.

## Welcome New Members

Wally Horton

## ODTOS Officers

### President

John DeMajo

### Vice-President

Al Murrell

### Secretary

Charles Hague

### Treasurer

Joe Graif
